### Detailed Itinerary

#### Day 01: Day 1: Marmaris

Boarding starts at 3:30pm from Marmaris Harbour. Service on the boat begins with dinner and overnight stay at Marmaris Port. Marmaris, which was built upon the antique Carian city of Physkos, has been under governorship of many different civilizations. The most valuable work-piece that you will see today is Marmaris Castle dating from 1577. There is also a mosque and an 8-room caravanserai covered with arches from the Ottoman Period. The ruins of the Antique times lie on Asar Hill; a small hill located on the northern side of the city. Being one of the best-known touristic places of Turkey, Marmaris also has a large marina

**Day 02: Day 2: Ekincik Gulf – Dalyan**

Whilst you have breakfast, you will be informed about the cruise itinerary and the boat. The cruise will start at Ekincik Gulf. You may join our optional Dalyan Tour from here. You will be taken from your yacht by a small boat called “piyade”. Firstly arrive at Caretta-Caretta (turtle) beach and take a swim stop here. You will enjoy the natural beauty of the delta as you sail along in the river boat. You will see the ancient Rock Tombs and finally arrive at mud baths to relax and be rejuvenated. A fishing village called Dalyan will be our final destination after we return to our yacht by piyade boat. Dinner and overnight stay will be in the Gulf of Ekincik.

**Day 03: Day 3: Tersane Island – Sunken Turkish Bath – Kizil Island**

Because of the wavy seas of Disibilmez and Kurtoglu capes that we have to cross, we will cruise earlier than the other days and reach the world famous Gocek Gulf. We will anchor at Tersane Island for breakfast and swimming break. This naturally protected harbor was used as the shipyard in Byzantine and Ottoman times. We will cruise to Manastir (Monastery) Bay. This place is also known as Cleopatra Bay or Sunken Bath Bay due to the beautiful underwater ruins of an old bath. Dinner and overnight stay at Kizil Island.

**Day 04: Day 4: Cleopatra Island – Fethiye**

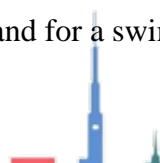

Arrive at Fethiye Harbor early in the morning. Fethiye, which was known as Telmessos in the ancient times, was the most important city situated on Lycia’s western border with Caria. It is believed that the city’s name comes from Apollo’s son Telmessos. As the name suggests, the city was the city of light and was famous for its prophets. We also offer the option of a jeep safari tour in Fethiye. For those who will not join the Safari, the boat will cruise to Samanlik Bay for lunch and swimming. Afterwards around 16:00 the boat will anchor at Ece Saray Marina for dinner and overnight stay. Our guests who have joined mini tour from Marmaris will disembark here.

**Day 05: Day 5: Göcek Island – Yassıca Islands**

The Mini Cruise guests who joined from Marmaris, should leave the boat by 9:30 am. New guests from Fethiye Harbour, for Mini Cruise, must join the boat by 10:30am. After breakfast, we will visit uniquely beautiful islands and finally hoist near Göcek Island. Following lunch and a swim break, we will cruise to Yassıca Islands to spend the night and cherish the wonderful scenery.

**Day 06: Day 6: Bedri Rahmi Bay – Domuz Island – Aga Liman?**

After breakfast we will cruise to Bedri Rahmi Bay, named after a famous Turkish artist who realized one of the first ‘Blue Cruise’ trips in Turkey. We will go to Domuz Island for a swim and anchor at Aga Liman? for dinner and overnight stay.

**Day 07: Day 7: Kad?rga – Cennet Island – Marmaris**

After breakfast, depending on the weather, depart early for Cape Kadirga with swim stops along the way. Kadirga Bay is a quiet picturesque location where we'll spend ample time swimming. This little bay is a paradise for snorkeling fans. Tea is served at 5 pm somewhere in the vicinity of Cennet Island. Afterwards we sail to Marmaris port. Overnight stay at Marmaris Harbour. Guests wishing to see more of Marmaris are recommended to go to the city center and experience the lively night life.

**Day 08: Day 8: Marmaris**

We will leave the boat with precious memories by 10:30am after breakfast
