Day 04: Day 4 Full Day Tour to Perito Moreno Glacier - Minitrekking

Full day tour to the famous Perito Moreno Glacier (the only growing glacier on earth), declared World’s Heritage by the UNESCO. Perito Moreno Glacier in the south western end of Argentino Lake at 80 km away from El Calafate. This glacier is so-called due to a great Argentinean explorer from last century and is one of the few glaciers that is still moving in the world. That is why it has become one of the most spectacular natural shows in South America. The tour also includes: Minitrekking over the glacier. We depart from Bajo Las Sombras Port at 75 km away from El Calafate and 8 km from Perito Moreno Glacier. From the ship (aprox 30 minutes sailing) we watch the southern wall of the glacier at a distance of about 500 m. We arrive at the opposite shore for disembarking to reach Moreno River Waterfall and there we deal with the use of crampons and ice axes which both allow us to walk on the glacier. This trek is of medium physical requirement and unsuitable for people with displacement difficulties like overweight, handicapped and pregnancy. People from 10 to 60 years old are allowed. Size 36 shoe is the smallest. This walk is attractive because of the contact with glacial ice, its peaks and interior lakes of a unique blue colour providing amazing views of the glacier walls and the lake.
