OPTIONAL: NORTHERN LIGHT DINNER CRUISE 20:30 – 23:30 Min 2 persons Join a dinner cruise on a local family owned catamaran, with good deck space and a warm cozy lounge. This is a very local way to hunt for the lights. The owners live on board in the winter season. We stay in protected waters, and we find a secure place for the Northern Lights. This depends of course if nature is with us or not. Northern Lights from the seaside are spectacular and beautiful. Even the light pollution from the town disappears into the black sea. You also get a fabulous view of the Tromso area in the beautiful Arctic winter night. Knowledgeable hosts with years of experience will do their utmost to give you a memorable experience.
