Day 02: Day 2 Fri Full day Mdina tour

Today's excursion takes us to the central part of Malta, dominated by the medieval fortified city of Mdina, Malta's former capital city. The narrow, winding streets, dating back to medieval times, lead to the imposing bastions, commanding a magnificent panorama of the island. On the way there, you will discover different styles of architecture, including Siculo-Norman palaces and other baroque buildings of great historical importance. Time stands still in this 'Silent City' which is a film-maker's paradise. Leaving Mdina through Greeks' Gate, we stop at the early Christian catacombs in Rabat before proceeding to the cliffs at Dingli. After lunch we will visit the San Anton botanical gardens situated near the Presidential Palace, which you will be able to admire from outside. We shall also spend time at the crafts centre at Ta' Qali. At the end of the tour, allow us to astound you with Mosta's majestic dome, that is one of Europe's largest. Lunch is included in the price of the tour.

Day 03: Day 3 Sat Full day Gozo tour

After a short twenty-minute ferry crossing you will reach Mgarr harbour, which immediately sets the pace to Gozo's unique atmosphere. Your guide will lead you around the Megalithic temples of Ggantija, the oldest free-standing monuments in the world, pre-dating the Pyramids of Egypt. This will be followed by visits to the medieval citadel in Victoria, the fjord-like bay at Xlendi and Dwejra. Gozo is well-known for its crafts, particularly handmade lace and knitted garments. Visitors cannot fail to be impressed by the island's lush countryside, its serene atmosphere and how different it is from the larger island of Malta. Lunch is included in the price of the tour.

The Order of St. John ruled over the islands for 268 years and left a unique cultural legacy of which Valletta is the prime example. We first enjoy a breathtaking view of the Grand Harbour from the Upper Barracca Gardens. Then we visit St. John's Co-Cathedral, including the Caravaggio masterpieces in the Oratory. The Co-Cathedral houses one of the most beautiful marble inlaid floors in the world. Going down Republic Street you will walk past the Grand Masters' Palace and the recently restored St. George's Square before watching the Malta Experience, an audiovisual show where Malta's history throughout the centuries is brought back to life.
