An optional early start gives you the fantastic opportunity to participate in the daily morning rituals of saffron-clad monks collecting offerings of Alms (ubiquitous sticky rice) from the faithful residents. This tradition is very unique in Laos, being the only Buddhist nation still preserving the procession. At about 9am, we hop on a gleaming vintage Tuk-tuk to venture in style around the old Luang Prabang town. First stop of this original sightseeing tour will be the Morning Market, where guide will help you immerse in this joyful atmosphere and learn more about local products. We end our morning with the visit the former Royal Palace, now a National Museum (close Tuesday) where you will find ornate, gilded and brocaded reception rooms, as well as Buddha and Spectacular artefacts including the Prabang, a large holy image, which was given in the 14th century by the Khmers to King Fa Ngum. Lunch is served in town. In the afternoon we continue our excursion toward Kuang Si Waterfalls, en route, we visit local villages to discover more about the local ethnicity. We stop at the H'mong Village of Ban Ou, Laoloum Village and later on at the Khmu Village of Ban Thapene. Day 08: Day 8: Phnom Penh at leisure (B/L/-)

A day at leisure in Phnom Penh, the opportunity for you to explore further the capital city. Besides its main cultural sites, Phnom Penh is a city of markets. We recommend you to start your day at Phsar Chas, the Old Market. Get there as early as possible (it starts from 5am) and soak up this truly local atmosphere, grab some fresh fruits and find a great spot to watch life buzzing around. The rest of your day could be made of a spa treatment (we recommend La Rose Spa at the 164B Norodom Blvd), a visit to the Russian market bazaar and a lunch at the social enterprise Friends restaurant with its beautiful yard. In the late afternoon, take in the gleaming lights of sunset while treading lightly along the river, or sit down at Le Moon rooftop lounge to end the day as it started, smooth and easy.. **OPTIONAL TOUR #3: CYCLING KOH DACH WITH HOME-HOSTED LUNCH** Exit the bustle of Phnom Penh on a 30-minute drive and head to Koh Dach, a large island of the Mekong River. We start there a 15-kilometer cycle ride all around the island. riverside of Siem Reap's old town.

Day 10: Day 10: Temples safari on the back of Vespa scooters (B/L/-)

Get ready to explore the temples of Angkor as very few other do. Ride pillion on the back of a scooter and embark on what is the most original and exciting way to dodge the crowds and enjoy Angkor. On this adventure, we visit the major highlights of Angkor Wat, the walled city of Angkor Thom, the Bayon and Ta Prohm (the "Tomb Raider" temple), as well as some lesser known gems. The most important temples are always busy nowadays, but our tour focuses not only on the temples, but also the amazing surroundings. We dodge the big buses by leaving the busy roads behind using hidden trails through the jungle, villages and rice fields. These villages and trails have existed since the time of the temples and it's a unique experience that visitors on 4 wheels simply cannot recreate! We guarantee you will love the temples, however, it's the ride on past ancient ruins, through the jungle and along ancient city walls that becomes the real highlight. A local lunch will be served en-route. We will be back at the hotel in the mid-afternoon, end of the day at leisure.

Day 11: Day 11: Siem Reap at leisure (B/-/-)

Enjoy a full day at leisure in Siem Reap. Explore any of the city's numerous markets, they are all well worth a visit and a photographic spectacle. If you're into crafts, do not miss the Made In Cambodia market, as well as some craftsmen workshops such as the Artisans d'Angkor. For delicious food and a break from the iconic fried noodles and num pang sandwiches that you'll find in the street, we recommend visiting one of the social restaurants of Siem Reap. Our top suggested restaurant is Spoons Café with its beautiful bamboo structure and fine Cambodian cuisine. For those interested in learning more about the tragic history of Cambodia, we suggest a visit to the Cambodian Landmine Museum and Relief Centre. Engage in discussions with locals who are passionate about educating visitors about the past as well as the continued issues of landmines that many Cambodians still face today. **OPTIONAL TOUR #4: ECO-ADVENTURE AND BANTEAY SREI TEMPLE (LUNCH)** Let's kick off today's eco-adventure with a short car transfer to the Kbal Teuk forest. Locals have created this forestry project in order to prevent the expansion of rapid urbanisation and to preserve the rich natural habitat of the area. We will actively support the initiative by planting some young trees. The second part of our morning includes a leisurely bicycle ride from the forest to a small rural village engaged in community-based tourism. We are welcomed by a family into their home and join hands in preparing lunch with them before we eat together. In the afternoon, we take a short car transfer to Banteay Srei temple and visit what is reputed as the finest of all temples, The Citadel of Women. We return to Siem Reap afterwards and should arrive back at the hotel at about 17.00pm.
