Detailed Itinerary

Day 01: Private Tour of Delos

Visit one of the most important archaeological sites of Greece: The ancient sacred island of Delos. Only a 45-minute boat ride away from Mykonos Delos was the center of the Cyclades of the ancient world, the island of light, birthplace of Apollo and Artemis, home to the first multicultural civilization and trade. There is a lot to see: having been inhabited between 2500 and 69 b.C. Delos boasts of many treasures remaining from these times like the ancient market place Agora, the famous terrace of the Naxos lions, the holy lake, the ancient living quarters and theatre that give you a lively vision of the daily life then; especially the houses of Dionysus, Cleopatra, the Trident, the Masks, the Dolphins with their mosaics are a fantastic experience of art not to be missed. Furthermore, there are the Temple of Isis, the Egyptian goddess, the Roman water system and cisterns and the wonderful museum with plenty of breathtaking mosaics, statues and many more objects found during the excavations. On our guided tour you depart at 10pm from the old pier in Mykonos Town and you return at 1.30 pm. If you wish to remain a little bit longer you can also take the last boat back at 3 pm in order to have some time at leisure or maybe climb on Mount Kynthos to enjoy the view over all the surrounding Cycladic islands.
