### Day 01: DAY 1: Arrival iSIMANGALISO WETLAND PARK

Arrival into Richards Bay Airport, meet your English Speaking Driver and transfer to your hotel in iSimangaliso Wetland Park. iSimangaliso Wetland Park is officially the first world heritage site in South Africa. This place of wonder is situated on the north coast of KwaZulu Natal and stretches from the small village of St Lucia in the South to the border of Mozambique in the North. The area is enormous however offers incredible biodiversity from area to area. The South (St Lucia) offers a good base from where to explore as one may encounter Hippos wandering the streets at night in the residential area to the odd Leopard that frequents the area as well. St Lucia is truly a wildlife paradise with numerous species found both within and bordering the town. Arrival at Makakatana Bay Lodge which is set on the banks of Lake St Lucia within the iSimangaliso Wetland Park World Heritage Site, one of the few natural wonders left on earth. Experience unspoiled beaches, vast wetlands, game drives around our game reserve, and an unforgettable boat cruise on the estuary.
