A wonderful tapestry of natural landscapes awaits visitors to the park. Here, the mighty Nile River bisects flourishing savannahs, flanked by lush riverine woodlands, before bursting through a chasm in the Rift Valley escarpment to form the raging Murchison Falls. Wildlife enthusiasts can expect to see great pods of hippo and immense rafts of crocodile in-and-around the Nile as well as an array of exceptional water birds. Other fascinating wildlife include the rare Rothschild giraffe, lion, various antelope species, buffalo, leopard and spotted hyena. We go via the Top of the falls for magnificent views of the falls from the top, later proceed to your lodge Rest of the day at leisure, Dinner at the lodge with overnight stay

Day 02: DAY 2: Murchison Falls

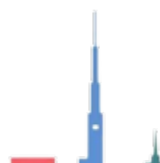

At 6 00am: enjoy an early morning game drive to look for the big five and their prey. Before sunrise, they hunt as we hunt for them. The lion, the elusive leopard, the laughing hyena, the silent elephant, the aggressive buffalos all share this park and struggle for survival. It's survival of the fittest. If we are lucky we shall see them all. The warthogs and antelopes, as well as the giraffes are all out hiding in the tall savanna grass. Return to the lodge for breakfast. Return to the lodge for lunch . At 2:00pm, you will take a boat ride up the river to the bottom of Murchison Falls.
