### **Day 03: Day 03: Naivasha- Masai Mara Game Reserve**

After an early breakfast, you'll travel across the bottom of the rift escarpment and head southeast, passing the dormant Longonot volcano on your right. Then you'll turn off the main road across the Rift Valley and head towards Narok, district headquarters of this part of Maasailand. After Narok you'll travel across the "breadbasket" of Kenya, covered with acres of wheat and barley, before you reach the Mara and your lodge, home to some of the greatest concentrations of game in Africa.

### **Day 04: Day 04: Masai Mara Game Reserve**

Today will be spent exploring the vast plains of the Masai Mara, starting early with a game drive before breakfast, and returning to the lodge for meals. This reserve is an extension of the Serengeti ecosystem to the south. Game abounds here, particularly when the migration is on, and millions of wildebeests and zebras make their way back and forth across the Mara River on their annual trek. The Mara is also noted for its abundance of lions - particularly the superb black maned males. You'll see lots of elephants here often in large herds, as well as, if you're lucky, leopard, cheetah and rhino. All of the Big Five are residents. You're sure to see the African buffalo. The huge expanse of grassland covers 320 sq km and is dotted with distinctive flat-topped acacia trees are watered by two rivers, Mara River and Talek River. It is also home to the nomadic Maasai people, who can be seen grazing their cattle, usually brightly dressed in red chequered capes. Get the cameras ready, stock up on film and enjoy yourselves!

### **Day 05: Day 05: Masai Mara- Nairobi Departure**

After breakfast depart the Masai Mara and head across acres of rolling wheat and barley farms to Narok, the district headquarters of this part of Maasailand. From here cross the vast plains on the floor of the Rift Valley whilst keeping an eye out for herds of giraffe and gazelle before heading up the rift escarpment.
