### Detailed Itinerary

#### Day 01: Saint Tropez/ Port Grimaud Full Day Tour

Join Port Grimaud nicknamed the little Venise with its tiny bridges, squares and canals. We reach Saint Tropez and fall under the spell of one of the best known resorts for the harbor, the beaches, and the place des Lys, where journalists, photographers, artists and celebrities all meet. Enjoy the atmosphere of the provincial market on Tuesday and take your time to choose among the local restaurants. Over the years this small village became the veritable playground of the jet set, models and millionaires. Saint-Tropez has had a turbulent history from the XV century military stronghold, a quiet fishing village in the early twentieth century. She was also the first city on the coast to be liberated during World War II.
