A wonderful tapestry of natural landscapes awaits visitors to the park. Here, the mighty Nile River bisects flourishing savannahs, flanked by lush riverine woodlands, before bursting through a chasm in the Rift Valley escarpment to form the raging Murchison Falls Wildlife enthusiasts can expect to see great pods of hippo and immense rafts of crocodile in-and-around the Nile as well as an array of exceptional water birds. The lion, the elusive leopard, the laughing hyena, the silent elephant, the aggressive buffalos all share this park and struggle for survival. It's survival of the fittest. If we are lucky, we shall see them all. The warthogs and antelopes, as well as the giraffes are all out hiding in the tall savanna grass. Return to the lodge for breakfast. Return to the lodge for lunch 2:00pm, you will take a boat ride up the river to the bottom of Murchison Falls. Hippos, crocodiles, buffaloes and other animals in search of water will be your hosts.
