Day 02: Day 2: Full day excursion to the city of Larnaca

Morning after breakfast at the hotel proceed for full day excursion to the city of Larnaca, built on the ruins of Kition, as the town used to be known, which was one of the several ancient city kingdoms of the island. After a short city tour, we visit the cathedral of St. Lazarus, the first bishop of Kition, originally built in 900 AD. With three large domes and decorated with an impressive iconostasis; tradition says that the place of Lazarus' tomb was lost during the period of Arab rule beginning in 649. In 890, a tomb was found in Larnaca bearing the inscription Lazarus the friend of Christ. Emperor Leo VI of Byzantium had the Church of St. Lazarus erected over Lazarus' tomb in the late 9th century. Thereafter we continue to the Pierides private museum where over 6,000 exhibits present the 10,000-year history of the island. Lunch in a local tavern. We pass by the Tekke Mosque of Hala Sultan, an important place of pilgrimage for the island's Muslims. Last visit will be the village of Kiti, which hosts the church of Angeloktistos with its magnificent mosaics dating to the early Christian period believed to be built by Angels. Optional and time permitting stop at Lefkara Village. Return to the hotel. Overnight stay at the hotel.
