Morning after breakfast at the hotel proceed for full day excursion to the city of Nicosia. Our guide will meet the guests at the lobby of the hotel to set off for today's tour. Nicosia, or Lefkosia, lies roughly at the center of the island, with a rich history that can be traced back to the Bronze Age. Today, it blends its historic past brilliantly with the bustle of a modern city. The heart of the city, enclosed by the 16th century Venetian walls, is dotted with museums, ancient churches and medieval buildings preserving the nostalgic atmosphere of years past. The famous Famagusta Gate still stands today, proudly protecting the still-ancient town within from the modern city without. From there, we will drive to the cathedral of St. John the Evangelist and its 13th and 18th century wall paintings; depicting scenes from the Bible and the discovery of the tomb of St. Barnabas in Salamis. Enjoy the cosmopolitan atmosphere of the capital of Cyprus with a visit to the prominent Archaeological museum (closed on Mondays) with its fascinating collection of Cypriot antiquities and treasures from the Neolithic age to the Early Byzantine period. After a passing the Venetian walls of the old city, we arrive at Laiki Geitonia and stroll at leisure down its stone paved streets where lunch can be served. Return to the hotel. Overnight stay at the hotel.
