Note

PLEASE NOTE:

During raining season, usually from December to March, the Salt Flats, as well as the Red & Green Lagoon can become flooded any moment and it won't be possible to visit some attractions, such as Incawasi and some others, in order to preserve passenger's safety.

Also, the moving of the Campers on the Salt Lake cannot be guaranteed during that time. Om addition, we warn our visitors that roads at the Salt Lake are not paved and during raining season, the journeys can take much longer.

Please note that GGTS cannot be responsible of any event or circumstance beyond the reasonable. In case reasons of force majeure, such as adverse weather conditions, blockades, or strikes which will enforce a change of route, we will have to charge an additional cost, therefore we kindly ask that passengers be in title of a proper insurance to cover these costs. We would deliver the relevant letter, explaining the reasons why visitors had to pay this additional cost.
