Detailed Itinerary

Day 01: Arrive Buenos Aires' Pampas

Arrival at International Airport (EZE). Meet with your guide and private transfer to San Antonio de Areco. Mineral water on board. 120 km (1 hour, 20 minutes land transfer/distance from downtown). Flights may also arrive at Domestic Airport (AEP). Only 113 kilometres separate the political capital from its tradition one. Located at the northwest of Buenos Aires, in the pampas, San Antonio de Areco brings back to life the most traditional activities from the XIX century Argentina. In this picturesque town, Gauchos strive to preserve their oldest customs alongside with their colonial architecture. This exquisite blend offers you the perfect escape from the agitated city and better understanding of the authentic Argentina. Gaucho Experience at The Pampas - El Ombu de Areco Ranch Private Service (Shared Venue) | Vehicle and English speaking guide at disposal | Duration: Full Day (8/9 hours) | Mineral water on board included | Visit San Antonio de Areco Town, access to a local silversmith workshop & stop for a drink in a traditional Pulpería | Enjoy a Country Day at El Ombu de Areco Ranch - Includes: Reception with welcome drinks and empanadas, BBQ Lunch (with beverages and wine) + Tea Time | Activities: Horseback riding, sulky ride, guitar playing with folk dance and demonstration of Indian dressage or troop demonstration, plus the use of the facilities: swimming pool, bikes, and many indoor/outdoor games. Visit to San Antonio de Areco town - Stop at silversmith workshops & Stop for "Vermouth (or "vermú") at local Pulpería: The invitation is to immerse in the local environment of this historical town, the cultural legacy of Gauchos, Argentine traditions, local craftsmen and Fine Arts. An aromatized aperitif flavoured with various botanicals (roots, barks, flowers, seeds, herbs, and spices) typically served in town bars, is a local tradition visitor's shouldn't miss either! Ideally located only 120 km from Buenos Aires and close to San Antonio de Areco in the heart of the Pampa, we will reach the Estancia 'El Ombu de Areco'. The main house is surrounded by a covered gallery typical of the late-Colonial period, with a richly tiled floor and cascaded steps that lead into the gardens of the park. Presiding majestically over the park is the estancia's namesake, the great Ombú, a plant as characteristic of the pampas as the baobab is of the African savanna. Nearly as ancient as well: gauchos have been hitching their horses to the estancia's main Ombú for over a hundred years. An authentic countryside day: Once at the estancia visitors can enjoy horseback riding or go for a ride in a sulky or carriage, whilst enjoying some

"empanadas" and beverages. At lunchtime, you enjoy a typical "Asado" (BBQ) prepared using only the finest quality meats. Dessert is accompanied by a folk music performance, which is followed by a demonstration of gaucho skills (equestrian demonstrations: horse whisper or tropillas). Among the different activities: Bird watching, relax by the swimming pool with solarium; play Ping-Pong (Table Tennis) or metegol (table football), as well as volleyball and football; ride bicycles or just contemplate the beauty of the Pampas. 2 overnights accommodations at Estancia El Ombu de Areco - Standard Room with full board and activities included.
